Product Name : INTERIOR FILM Brand Name : KOINTEC

Product Description

Architectural PVC Decorative:For Interior, patterned pvc film w.Self-Adhesive

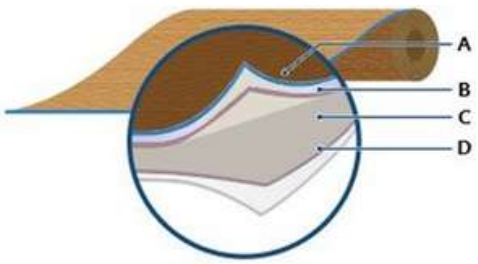
Application

For interior wall and furniture decoration,Suitable for remodelling department stores,supermarkets,academis,reatil shops,restaurants,schools and various commercial spaces,home interior renovation

Feature

A wide range of patterns. Authentic,lifelike texture,Scratch-resistant,Fingerprint-resistant,premium patterns with realistic visual effects

Layer



A	**Protective layer**
B	Patterned PVC (printing + based PVC layer included)
C	PSA Self Adhesive
D	140gsm single PE coated paper

- Roll Size :1230mm*50m
- Measurement :Surface ±200 µm, Adhesive ±40 µm,Liner 140 gsm (depends on pattern texture)
- Adhesive Strength:20 min after stick:6.8 N/10mm,KST 1028,24 h after stick:10.2 N/10mm KST 1028
- Tensile Strength:Vertical 150~400 kgf/cm2 ASTM D882,Horizontal100~350 kgf/cm2 ASTM D882
- Scratch Resistance:B~3H Pencil Test(ASTM D 3363-22)
- Dimensional stability:4% Max shrinkage 70℃ x 48hr
- Application Temperature :15℃ ~ 25℃ (on clean and dry surfaces)
- Service Temperature:−15℃ ~ 70℃
- Shelf life:12 months :Sealed packing at 20℃~25℃ / 50% (humidity)
- Durability:24 month (include shelf life)

Note

- The above figures may vary depending on the product and environment
- Avoid any factors like dust,dirt,humidity etc from the application surface that may affect its quality
- Test the film before actual application to obtain a guaranteed level of quality
- All surfaces should be leveled to avoid grout marks and unevenness, and it must be ensured that all surfaces are clean and flat before installation
- When installing the product strongly on MDF or any other wall, please use an additional primer adhesive before installation
- The seller and manufacturer are only liable for the identified and proven defective quantities
- All material should be pre-tested by the purchaser to determine final suitability
- The above specifications and values can be changed depending on the compositions and conditions, under the user's responsibility
- These technical information and statements made by Kointec Inc, are based on tests considered reliable, but their accuracy is not guaranteed

Storage :It is recommended to store in a proper temperature and dry area,away from direct sunlight and humidity
Shelf life: Apply the products within 2 years from the batch number,when sealed in the carton at a proper temperature
Warranty:3 years in case of proper application with the correct techniques and optimal indoor temperature,avoiding UV sunlight,heat, and high humidity/,moisture areas
